Schedule pickup for additional bulk items that would not fit inside totes..

Welcome to Spring! This is an exciting time in our Village. The beauty of the tree blossoms will soon be followed by the arrival of the beautiful flowerpots that enhance our streets. The changes initiated in January of scheduling the collection of bulk, construction and hard fill have been going well. I know there will be challenges as the changes begin in the weekly trash and recycling collection. The DPW will be working with you to make the change as easy as possible. As you read through this newsletter there are many events happening throughout the summer. I hope you can come out and enjoy them and I look forward to seeing and talking with you! As your Mayor I am always available to you. If you have any concerns, please reach out to me.

Mayor Mike Small
msmall@fayettevilleny.gov

We are very excited to begin our new Community Garden program. We want to emphasize the “community” aspect of your collective gardening experience. Our community garden is located at the senior center behind the cottage. We welcome individual gardeners to plant, nurture, and harvest their own plots for personal use and/or to share with a community in need of fresh produce. All that is needed to join is a curiosity in how to grow plants, a commitment to care for your plants throughout the 2024 growing season, and an interest in meeting fellow gardeners. If you would like to join the village community garden contact Gwynn Hall at the village office 315-637-9864 to sign up. Let’s get growing!!

Village’s Kitchen Compost curbside pickup pilot has begun!

- ⇒ Pick up 1st and 3rd Friday of month
- ⇒ Items that will be acceptable for program:
 - Vegetable, fruit scraps, coffee grounds, tea.
- ⇒ Items that will NOT be acceptable for program
 - Meat, fish, bones, dairy, eggs, bread, animal waste, grass clippings.
- ⇒ You can use BPI certified compostable tote liners. Plastic and paper bags are not to be used.

We are taking it slow to improve our systems and grow the program. We will adjust systems and program to serve our residents and provide a valued program for our residents.

We still have room for a few additional participants! Call or email me as soon as possible to participate and receive a 13-gal compost cart.

Presenting: Fiddler on the Roof Jr. & Frozen, Jr.
Registration Deadline: Wednesday, June 12

Recruiting Tree Lovers!

One of the best ways to adapt to a changing climate is to plant trees. We are recruiting members to form a new Tree Commission after a hiatus caused by COVID.

“The purpose of a Tree Commission is to advise the Board on issues regarding the preservation and planting of trees, offer public programming to provide information on the selection, planting and care of trees.” – Tree City USA Field Manual

If you are interested, or have questions, please contact

Trustee Casey Cleary-Hammarstedt at trusteecasey@fayettevilleny.gov.
